DR. LUDD M. SPIVEY

In the history of American education, few men have had the distinction of serving more than 30 years as a college president; none can look back through the years with greater satisfaction than Ludd Myrl Spivey.

It was in 1925 that Dr. Spivey came to our orange grove campus to direct the affairs of a struggling, debt-ridden Methodist college with only two educational buildings and a student body numbering less than 200 men and women.

Behind him were his days as a student at Vanderbilt University and the University of Chicago, as a pastor in Methodist churches in Missouri, and as the dean of Birmingham Southern College.

Ahead of him were almost insurmountable problems aggravated by the Florida real estate collapse and soon thereafter the great world depression which plunged this nation's economy to the lowest depths in its history.

The clouds lingered long over the acres above Lake Hollingsworth. Only one with determination, with integrity, with courage, with loyalty, with devotion and with faith could have brought lightness to the gray of discouraging days and the darkness of the nights of dismay.

The sunshine of the dawn is now bright over our world famous campus, with its beauty, its Frank Lloyd Wright architecture, its progressiveness, its growing fame as a cultural and intellectual center, and, above all, its men and women, past, present and in the days to come.

All that is Florida Southern College is synonymous with the name, Ludd Myrl Spivey. It will be so even a millennium into the future.

The Interlachen—all of the students—salute with affection and gratitude the President of our Alma Mater!

DEDICATION

A poet, a philosopher, a friend

Out of the North a few years ago, there came a man to our orange grove campus who has earned a firm place in our hearts and minds—a man whose name in this and in centuries to come is and will be linked indelibly with that of our Alma Mater.

A leading financier and business executive, this friend of Florida Southern College has achieved for himself a second career in the world of letters through his philosophy in poetry—the music of words about life and love, sea and sky, nature and the universe.

He has further served with great distinction as our Honorary Chancellor and in so doing has proven on campus and in classroom his great interest in and abiding affection for all that is our Alma Mater.

It is with great pride and with equal gratitude that we honor this poet who has brought honor to us by dedicating the Interlachen of 1956 to

CHANCELLOR-1956

GEORGE WASHINGTON JENKINS

The 1956 Honorary Chancellor of Florida Southern College is George Washington Jenkins, of Lakeland, the president and guiding genius of Publix Super Markets, Inc.

Friendly, quiet, unossuming, Mr. Jenkins with his vision, courage and progressiveness is internationally known in the retail food industry and his leadership is so outstanding that a great national magazine published a feature article about his accomplishments.

Less known are his many contributions to his community and state. Whether the good is for church, education, citizenship, civic organization or just ordinary boys and girls, men and women, one can be certain that the hand of this leading Lakelander is in the background.

The Interlochen of 1956 extends a most cordial welcome to Chancellor George Washington Jenkins os an official member of the Florida Southern family.

Omicron Delta Kappa, long distinguished as the number one collegiate honorary fraternity, has established a triad of purposes in which is explained the magnitude of its position. They are: to recognize men who have attained a high standard of efficiency in collegiate activities and to inspire others to strive for conspicious attainments along similar lines; to bring together the most representative men in all phases of collegiate life and thus to create an organization which will help mold the sentiment of the institution on questions of local and intercollegiate interest; to bring together members of the faculty and student body of the institution on a basis of mutual interest and understanding.

Character, leadership and service to campus life, scholarship, fellowship and consecration to democratic ideals are considered five indispensable qualifications for membership.

Cap and Gown has a four-fold purpose: to recognize women who have attained a high standard of leadership in collegiate activities, to bring together the most representative women in all phases of collegiate life, to create an organization for service to the college and to bring about a good relationship between faculty and students.

To be eligible for membership in Cap and Gown, a girl must have reached the classification of a junior and must have an overall "B" average. She must have attained special distinction in at least one phase of collegiate activity and must be active in different organizations on campus. The prime requisite for Cap and Gown is good character, but a girl must also rank high in scholarship and intelligence, be loyal to the college and have democratic ideals.

BETA PHI CHAPTER

Beta Phi Chapter of Sigma Sigma Sigma started off its second year on the Florida Southern College campus with the largest pledge class — twenty-eight girls and a promising future in sight.

A busy year was in store for us . . . our annual Christmas party . . . all the members giving gifts for the John Randolph School children in Virginia . . . an Easter party and egg hunt at a home for children in Lakeland.

We were busy on campus also, our members participating in over twenty campus activities . . . Secretary of Beta Beta Beta . . . President of Vagabonds . . . Secretary of Alpha Psi Omega . . . several members of the Concert Choir, Concert Band,

Microphone Club, Rifle Team, Debate Team, two members of Kappa Delta Pi, Interlachen Staff, Southern Staff, International Club and many other organizations.

Kampus Kapers found us working hard . . . as did Founders' Week! . . . Founders' Day was celebrated with a banquet and the traditional Sigma Symphony . . . then came our annual Deep Purple Ball

Thus, we ended our second year on campus, living up to our purpose of personal development of individual members, a design for living and worthwhile standards of social relationships.

R.O.T.C. AT FLORIDA SOUTHERN

One of the largest student programs on Florida Southern College's compus is that of the Reserve Officers Training Corps, headed by Lt. Colonel William R. Nealson. The unit is comprised of approximately five hundred men students divided into two battalions and four companies. Students who qualify for service in the armed forces study military science and tactics during their freshman and sophomore years. Eligible students who prove their military ability during their basic two years may be promoted to advanced courses in which they will be enrolled for an additional two years. Cadets in these advanced classes must serve one summer session of field training at Camp Gordon, Georgia. The majority of advonced students receive Reserve commissions in the U.S. Army at the end of their college careers.

CAPTAIN JAMES T. THEUS

CAPTAIN JAMES R. MURPHY

Majar Key served almost two years in the China-Burma-India Theater in World War II and spent three years in Germany where he commanded the 536th M. P. Company. Since coming to Florida Southern College, he has served as adviser to the Junior Class, to Theta Chi Fraternity and to the Men's Council.

Captain Theus held the post of rifle platoon leader in the 5th Infantry Division in France and Germany during World War II. After being wounded he was sent to Camp Rucker, Alabama, to help train men for activity in the Pacific Theater. and then to Korea to aid in establishing the new ROK Army. He was

located at Fort Benning, Georgia, prior to his assignment to Florida Southern College.

Captain Murphy, inducted into the Army in 1944, has served in Puerto Rico, at Camp Gordon, Georgia, and in Japan in 1953. He was assigned to the R.O.T.C. at Florida Southern in 1954.

All-State Frank DeSavino was again FSC's high point man, with a 369 total and a dropping in average of 15.4 per game. Dale Collins was close behind sporting a 354 point record.

The Florido Southern College Water Moccasins stroked their way to second place in the state finals in 1955 giving the Varsity Crew a distinguished place in crew racing in America.

Always producing a top-ranking crew in the

United States, Coach Roy Couch is again back at the helm to coach the varsity eight. Only two veteran lettermen returned this year to the Varsity shell, Stroke Steve Potz and Coxswain Tom Karahalios

Left to right: Tom Koroholios, Steve Potz, William Prescott, Curt Adkins, Robert Bew, Ray DeLooch, Sidney Chose, Mike Michael, Walter Strain.

Jayous crew members dunk Caxswain Tam Karahalias.

The Varsity and Jayvee teams hit the slides in a trial run.

The 1955 Water Mocs boasted a 4-4 record which is commendable against such crews as Wisconsin, Amherst, American International College, Rollins, Brown University and Tampa. The FSC crew placed fourth in the Dad Vail Regatta in Philadelphia.

The Varsity Crew prepares for a warkaut.

This year's schedule is again a rigorous one, Lasalle being a possible addition to the regular contention.

The Junior Varsity aarsmen had a 4-3 record in 1955 and face their usual schedule in 1956.

MOCCASIN BASEBALL TEAM

Diamondwise the Mocs have excelled due to the tireless efforts of Coach Jim Lease. Under his leadership, the Southern nine has taken several Dixie Conference Championships and brought back the clean sweep broom from many jaunts over the country. This year the attack was led by Coach Frank Pollard who proved equally capable in maintaining the spirit and performance of the Moc nine.

In the 1955 season, Hank Calderone batted top spot with a little over the .340 mark. Seasoned players returning to the squad this year were Charles Senger, Frank DeSavino, Bill Tolle, Walt Krauss, Richard Hagstrom and Don Brennan, backed up very ably by several newcomers to the team.

A new look in the Gilbert Gymnasium this year was seen in the appearance of the Women's Coaching Class athletic teams. Established to assist in teaching the women physical education majors the fundamentals of coaching, the teams participated in basketball and softball competition. It is planned to add volleyball to the list of activities next year.

In basketball, the series with Tampa produced the highest scores for F.S.C. with the deft right-hand jump shot of Barbara Bauhof scoring the measure of difference in both contests. Bobbie Lee Knowles proved heroic in the initial meet with Rollins, scoring the decisive three points in the last fifteen seconds of the game.

In softball, the team had home and away dates scheduled with Tampa and Rollins with others being tentative.

Sigma Alpha Epsilon, for two successive seasons the winners of the Intramural Championship Trophy, copped this year's Intramural Football Trophy backed by an undefeated record. Not only was this an unmarred season, but the SAEs have boosted a two season winning streak on the gridiron, running the tally to fifteen straight games.

CHAMPIONS: First Row: William Burns, Fred Gebhard, Numan Garrison, Robert Goodnetter, Charles Jackson. Second Row: Robert Fernandez, Luther Lewer, Charles Foley, Lee Stansell, Gerald Rooks.

FOOTBALL CHAMPIONS

THE INTRAMURAL CHAMPIONS AND THE ALL-STARS

ALL-STARS: First Row: Walter Krauss, William Medley, Donald Maurice, Ward Johnson.

Second Row: Frank Bloir, Numan Garrison, Robert Fernandez, Gerald Rooks.

Nominations to the Football All-Star team were made on the basis of outstanding performance and contribution to the team and league. Sigma Alpha Epsilon's undefeated record not only gave it three men on the roster, but also found Johnny Rooks the outstanding pigskin carrier of the year Pi Kappa Alpha and Lambda Chi Alpha, both top contenders, contributed three men each, while the Baptist Student Union named two on the team. Four fraternities contributed one each: Sigma Phi Epsilon, Tau Kappa Epsilon, Phi Delta and Sigma Alpha Epsilon

CHAMPIONS: First Raw: Jim Stelogeannis, Buddy Penn, Clark Maxwell, Bill Tolle. Second Row: Richard Hagstrom, Bill Medley.

Undefeated in eight sets, the Garnet and Gold spikers would not let history repeat itself by taking defeat in the finals of an errorless season. Two successive years has found Pi Kappa Alpha and Tau Epsilon Phi meeting a full three games in the finals, seemingly more a match of endurance rather than dominance since both teams showed equal skill in their performances. This year the Pikes came out on top, taking the final set from TEP.

VOLLEYBALL CHAMPIONS

MEN'S INTRAMURALS AND THE ALL-STARS

ALL-STARS: First Raw: Richard Hagstrom, Walter Krauss, Ward Johnson, Clark Maxwell, Bill Medley. Secand Row: Mohommed Sabie, Jim George, Dale Collins, Bob Fernandez.

Selections by the Intramural Board for the All-Star Volleyball team were spread among nearly all of the participating groups. Pi Kappa Alpha, the champions, led the list by contributing four spikers to the All-Stars. Runner-up Tau Epsilon Phi added two, as did Sigma Alpha Epsilon, the Faculty and Lamda Chi Alpha. Tau Kappa Epsilon and Sigma Phi Epsilon each had one member on the roster. The most valuable player was Mohammed Sabie, TEP.

Barbara Bauhof, Bobbe Jones and Charlotte Paugh led Alpha Omicron Pi to a hard-won victory over the second place Southernettes. The season ended in a two-way tie, AOPi winning the rematch games. Others on the team were Jone Murphy, Sandy Hawes, Lucy Fisackerly, Marilyn Howell, Marilyn Rushton and Faye Tucker.

VOLLEYBALL CHAMPIONS: First Row: Barbora Bauhaf, Barbara Jones, Marilyn Howell.
Second Row: Charlotte Paugh, Marilyn Rushtan, Lucy Fisackerly, Mary Lau Gandy.

WOMEN'S INTRAMURALS

THE VOLLEYBALL AND BASKETBALL CHAMPIONS

BASKETBALL CHAMPIONS: First Row: Marilyn Hawell, Barbara Bauhof, Borbara Janes, Frances Lietz. Second Row: Barbara Knowles, Lucy Fisackerly, Marilyn Rushton, Julia Hale.

No other basketboll team could motch the sure fires of the three AOPi forwards Bobbe Jones, Bobbie Knowles and Borbara Bouhof. Marilyn Rushton came through as the topnotch guard, ossuring the Alpho Omicron Pi team victory in all of their contests. Completing the first team were Marilyn Howell and Julie Hale.

INTRAMURAL CREWS

The girls' intramural crew teams help compromise what is the largest campus crew program in the United States. Seven shells took to the water this year in an attempt to

AIR FORCE BASES'

STAFF AT THE EDUCATION SERVICES OFFICE, MacDill Air Force Base: First Raw: T/Sgt. Charles A. Lumpkin, NCOIC; Capt. Jahn M. McTamney, Education Services Officer; Mr. Frank A. Collins, Civilian Education Adviser. Second Raw: A/3C Jaseph R. Gurewicz, T/Sgt. Jaseph W. Canahey, T/Sgt. Thomas N. Travis.

T/Sgt. Otta H. Lensch III is NCOIC at the Education Center at Palm Beach Air Farce Base.

STAFF AT THE EDUCATION SERVICES OFFICE, Pinecastle Air Force Base: Majar Cecil E. Gregg, Personnel Services Officer; Mr. Henry W. Haugh, Civilian Education Adviser; T/Sgt. Jack D. Prutsman, Education Supervisar; Mrs. Doris Blackwell, Education Stenographer.

EDUCATION CENTERS

The high standing of Florida Southern College and its liberal policy of cooperation with military personnel, have brought invitations to establish Education Centers at three Air Force Bases in Florida.

The Center at MacDill Air Force Base, near Tampa, was inaugurated in the Autumn of 1950. Over sixty men and women at that base have received degrees from Florida Southern College.

Classes were commenced at Pinecastle Air Force Base, near Orlando, in the Spring of 1954. The most recent Center is Palm Beach Air Force Base, adjacent to West

Palm Beach, where instruction began in the Autumn of 1955.

Classes meet for three hours on weekday evenings thus giving the base personnel the opportunity to secure a college education in off-duty hours.

MacDill and Pinecastle Air Force Bases are the 809th and 813th Air Base Groups, respectively, under the Strategic Air Command. Both are bases for the fleet medium bombers, the B-47s. Palm Beach Air Force Base is Headquarters for the 1707th Air Transport Wing Heavy, at which training is given to pilots of cargo planes

Elementary mathematics is a subject taught regularly, term after term, at MacDill.
